Issue 3 Proposed Constitutional Amendment TO REQUIRE VOTERS TO PRESENT PHOTO IDENTIFICATION IN ORDER TO VOTE Proposed by Joint Resolution of the General Assembly To enact Section 5 of Article V of the Constitution of the State of Ohio A majority yes vote is required for the adoption of Section 5. This proposed amendment would: Require voters to present an approved form of government-issued photo identification in order to vote. Allow state law to provide for an alternative method of verifying a voter’s identity for a voter who has a sincere religious objection to being photographed and, therefore, does not possess an approved form of government-issued photo identification. Require that voters who do not vote in person provide an approved form of government-issued photo identification, unless the law authorizes those persons to vote by providing a signature and at least one other specified unique identifier. Define approved forms of government-issued photo identification as an unexpired Ohio driver license or state identification card; a United States passport or passport card; or a United States military identification card, Ohio National Guard identification card, or United States Department of Veterans Affairs identification card. If approved, the amendment shall take effect immediately. A “YES” vote means approval of the amendment. A “NO” vote means disapproval of the amendment. SHALL THE AMENDMENT BE APPROVED? Issue 3 Proposed Constitutional Amendment TO REQUIRE VOTERS TO PRESENT PHOTO IDENTIFICATION IN ORDER TO VOTE Proposed by Joint Resolution of the General Assembly To enact Section 5 of Article V of the Constitution of the State of Ohio A majority yes vote is required for the adoption of Section 5. This proposed amendment would: Require voters to present an approved form of government-issued photo identification in order to vote. Allow state law to provide for an alternative method of verifying a voter's identity for a voter who has a sincere religious objection to being photographed and, therefore, does not possess an approved form of government-issued photo identification. Require that voters who do not vote in person provide an approved form of government-issued photo identification, unless the law authorizes those persons to vote by providing a signature and at least one other specified unique identifier. Define approved forms of government-issued photo identification as an unexpired Ohio driver license or state identification card; a United States passport or passport card; or a United States military identification card, Ohio National Guard identification card, or United States Department of Veterans Affairs identification card. If approved, the amendment shall take effect immediately. A "YES" vote means approval of the amendment. A "NO" vote means disapproval of the amendment. SHALL THE AMENDMENT BE APPROVED? Issue 3 Proposed Constitutional Amendment TO REQUIRE VOTERS TO PRESENT PHOTO IDENTIFICATION IN ORDER TO VOTE Proposed by Joint Resolution of the General Assembly To enact Section 5 of Article V of the Constitution of the State of Ohio A majority yes vote is required for the adoption of Section 5. This proposed amendment would: • Require voters to present an approved form of government-issued photo identification in order to vote. • Allow state law to provide for an alternative method of verifying a voter’s identity for a voter who has a sincere religious objection to being photographed and, therefore, does not possess an approved form of government-issued photo identification. • Require that voters who do not vote in person provide an approved form of government-issued photo identification, unless the law authorizes those persons to vote by providing a signature and at least one other specified unique identifier. • Define approved forms of government-issued photo identification as an unexpired Ohio driver license or state identification card; a United States passport or passport card; or a United States military identification card, Ohio National Guard identification card, or United States Department of Veterans Affairs identification card. If approved, the amendment shall take effect immediately. A “YES” vote means approval of the amendment. A “NO” vote means disapproval of the amendment. SHALL THE AMENDMENT BE APPROVED?
